

SERBIAN LIBRARY ASSOCIATION (SLA)

10th International Conference
THE WORLD/EUROPEAN HORIZONS OF LIBRARIANSHIP IN DIGITAL AGE
Supported by Ministry of Culture of Republic of Serbia

Belgrade, 27–28. October 2011
National Library of Serbia, Skerlićeva 1
www.nb.rs

FIRST CALL FOR PAPERS!

This year's conference addresses the changes and challenges imposed to libraries and information systems and services by the new digital environment. Its main goal is to present and discuss contemporary problems, innovative approaches and solutions in the following areas:

- Digitization of cultural and scientific heritage,
- Free access to information,
- World and European guidelines for libraries,
- Library as a support of the Information Society (IT inclusion).

We invite interested professionals to send their abstracts and key words in Serbian or English in electronic format to the address conference2011@bds.rs

Abstracts should have from 250 to 400 words and key words from 3 to 8.

Applications for papers will be reviewed.

Official languages of the Conference are Serbian and English. Simultaneous translation is provided.

Important dates:

- Deadline for application of papers and sending abstracts and key words is **September 1st 2011**
- Information about accepted papers will be sent to the authors by **September 15th 2011**
- Conference programme will be announced on the SLA web site by **October 1st 2011**
- Deadline for accepted complete papers is **November 15th**. Guideline for authors' papers are available [here](#).
- Registration is open from June 15th to **October 15th 2011**. Please fill out the online [registration form](#).

Abstracts book of this year conference will be published in electronic form on the SLA web site before the Conference, and printed Conference 2011 Proceedings will be published during 2012.

Printed Conference Proceedings from the conference held on November 4-5, 2010 in Novi Sad on the topic "Standardization and the Quality of Library Services" will be published before Conference 2011.
